The screenshot shows the "Create A New User" registration form. It includes a heading "Create A New User" and a note "All Fields Required". The form contains the following fields: "User ID:", "Your Full Name:", "Email Address:", "Phone:", "Customer ID:", "Password:", and "Verify Password:". Each field is represented by a text input box.

INTELLIQUICK DELIVERY, INC.

- Login with User Name & Password:

- Upon logging in you will be navigated to the Place Order screen.

A screenshot of the IntelliQuick Delivery "Place Order" screen. The page header includes the IntelliQuick Delivery logo and navigation links. Below the header is a secondary navigation bar with links: "INTELLIQUICK ORDER", "INTELLISERVE ORDER", "ACCOUNT", "ADDRESS BOOK", "SUPPLIES", "CHANGE PASSWORD", and "LOGOUT". The main banner area features a woman's face and the text "What's your IQ?" followed by a quote: "My IQ lets me sleep like a baby - my deliveries are guaranteed on-time." attributed to "Mare Davis, Pediatrician". Below the banner is a "Place Order" section. It includes a "Customer account:" field with the value "IQ Tucson - House Account-72128" and a "Switch Account" button. There are several form fields: "Origin" (dropdown menu with "New" selected), "Country:" (dropdown menu with "United States" selected), "Name:" (text input), "Address:" (text input), "Suite:" (text input), "City:" (text input), "State/Province:" (text input), "Postal Code:" (text input), and "Phone:" (text input). There is also a "Remarks:" field with a character count of 900. A note indicates "Required fields display asterisk(*)".

INTELLIQUICK DELIVERY, INC.

- If there is an address book already in place you can select the drop down in ORIGIN for the address options, otherwise it will just stay “New”
 - You will be given the option to “add” the address to your address book on the next page
- All fields with an asterisk * are required fields.
- Enter all DESTINATION information
- Once fields are complete to your satisfaction, click on CONTINUE to navigate to the next page
- The order will DEFAULT to current date and time, these fields can be changed to any future date and time
